STEPHAN HARRIS, CLERK
CASPER

Hello My name is Rogelio Rodriguez Jr. I am writing concerning a few things on my complaints first on my lost property my underwear and sox were never found my sister brought me Briefs and Deputy Harris tried to give me boxers my sister also brought me a brand new package of sox there is two pair missing out of the package ever since my sister brought me the items I have not seen none yes Deputy Durenman recived the items when my sister brought them He did put them in my Property, Deputy Harris was the last person to handle my property when it was lost, first she stated there was an empty package of Briefs and a open package of sox with two pair missing. till this day I have not seen none of them Items my sister brought, so that means there should be brand new package of briefs and a brand new package of sox in my property. the reason I did not take the boxers Deputy Harris brought to me stating she had found is because my sister brought me briefs not boxer, and she lied about finding my underwear. some thing is not right and I did not want part of it I just want my Items my sister brought its March and I still haven't seen none of the lost Items. for any questions concerning Items brought in by sister

deputy Harris shredded I did specify in the complaint The Wednesday January
th issue, grievance to Sheriff about the same issue on Wednesday January 11th
now I'm incarcerated in Park County Detention Center I am limited
to the things I can do here to assist my case. In doing the best I
can to prove my case, I don't know much about laws so I'm trying
my best on that, Park County Detention Center does not provide law books
we don't have access to that type of materials. This whole chain of
events has caused damages, physically, mentally, physiologically, I have sent
medical requests and grievances concerning that. I'm doing the best I can
to cooperate and assist my cases. Thanks for your time
— Much Respect —
